Mentoring of Students

Students of M.Sc. (Physics) Sem II & IV were gathered in the H.Sc. final classroom for combined mentoring.

The following problems were put forward by the students.

- (i) Some students raised the problem about internal examination recently department has decided to take only two internal exams instead of three. Student demand to take three internal examination. So that if they not present in one due to some reason then, it will not affect the result.

Solⁿ Suggested :- They were advised not to worry for some special circumstances separate paper would be taken.

- (ii) Many students of II sem are facing problem in answering the questions in English as most of them belong to Hindi medium.

Solⁿ Suggested :- They were advised to read English newspaper/books to improve their English and try to give seminar in English language.

All the faculty members were advised to hold mentoring with their respective students at least twice in a semester. However, more of the mentoring session was improve the relation between mentos & students. So that the students opened up with their problems.

The following teachers have attended the meeting along with the students of Msc II & IV semesters.

- (i) Prof Nameeta Brahme
- (ii) Prof A. P. Bisen, HOD
- (iii) Dr. A. S. Gour
- (iv) Dr. N. K. Chakdhari
- (v) Dr. Y. K. Mahipal
- (vi) Mr. C. K. Belochiya
