Message from the Vice Chancellor

I am delighted to release the new issue of the MMTTC Newsletter. This publication will showcase the center's contributions to our university's vision and mission for higher education, highlighting its achievements and future plans. As a hub for developing human resources in academia, the MMTTC plays a vital role in shaping a better future. Capacity building of teachers is crucial in this endeavor, as it enables them to stay updated with the latest developments in their fields and impart high-quality education to our students. The MMTTC's efforts in this direction are truly commendable. I commend the team for their outstanding efforts and congratulate them on this initiative. I extend my warmest blessings and support for this endeavor and look forward to the continued success.

Message from the Director

I am delighted to share that the Centre at Pt. Ravishankar Shukla University, Raipur, established in 2006, has grown exponentially over the years. The MMTTC has organized a number of programs, addressing the challenges and needs of higher education. Driven by innovative ideas and teamwork, the MMTTC works in tandem with the University, UGC, and other MMTTCs. With the implementation of NEP 2020, the Centre's responsibility has increased, playing a pivotal role in ensuring effective initiatives for capacity building of teachers in higher educational institutions. This Newsletter showcases the Centre's various activities, aligning with our vision and mission, and provides a glimpse into our organized programs. It is a pleasure to share this issue of the biannual Newsletter of MMTTC, Pt. Ravishankar Shukla University Raipur.

Message from the Chief Editor

I would like to express my warm regards to our Vice Chancellor and also to the Director, MMTTC, Pt. Ravishankar Shukla University, Raipur for giving me the opportunity to be a part of this remarkable endeavor.

This is the Fourth Newsletter of the MMTTC and we need lots of good will and positive suggestions and inputs.

The Newsletter showcases our history, our objectives and all our achievements. The MMTTC gained immense popularity as one of the first MMTTCs to start Online Courses during the pandemic. It gives details of all the programs conducted in the session 2021-22 and an outline of programs proposed in 2022-23.

The purpose of the Newsletter of MMTTC, Pt. Ravishankar Shukla University, Raipur is to showcase its remarkable achievements of the centre. After its establishment many activities and programs were organized from time to time in various domains. University has provided adequate facilities to strengthen the teaching learning process and to achieve its ambit as well. The State Government also supported for its infrastructure in terms of a building with fundamental amenities.

MMTTC has a well-equipped Seminar hall, Lecture theatre (03) Library and other basic facilities. MMTTC is effectively using the ICT based teaching learning methods with the help of smart boards available in the centre.

UGC had sanctioned 03 posts in the centre out of which two posts were filled in the year 2007.

The journey began with the organisation of Orientation Programs, Refresher courses and Short-Term Programs. After that we widened its scope with the introduction of "Faculty Induction Programs" "Gurudakshata" and "One week workshop" and now we have a huge teaching learning platform.

HRDC, Pt. Ravishankar Shukla University has organized 36 Orientation Programs, 60 Refresher Courses, 04 Special Summer Schools, 04 Special Winter School, 16 Workshop, 28 Short Term Courses. Not less than 5000 participants successfully participated in these programs and about 2500 Resource persons were invited from different region of the country and imparted their knowledge to the participants.

We are now in the digital and technology-oriented world. The objective is to enhance our energy through our teachers.

The teachers must incorporate-

01. Subject domain Knowledge
02. Critical and analytical thinking
03. Problem solving skills and innovative abilities and
04. Appreciation of knowledge and creativity.

If we want to change the world then we have to come up with – Innovation, Experimental and dynamic Ideas. Thereafter we can have a better world of education.

Thus this newsletter will be a path to be aware of all the initiative taken by MMTTC. Definitely it must prove to be a symbolic strengthening of its principal of "Development"
