**Raipur, Chhattisgarh**

Quality education plays a pivotal role in economic and social development of a given society, a state or a country. Teacher's knowledge is an important ingredient for quality improvement of higher education. Human Resource Development Centre (HRDC) at PRSU, Raipur was established in the year 2006-07. HRDC at Pt. Ravishankar Shukla University, Raipur is one of the important teachers training organization of the Chhattisgarh. The HRDC maintains the objectives of UGC-HRDC scheme. Our HRDC organize program for university and college teachers, non-teaching staff and research scholars.

**Prof. Keshari Lal Verma**  
Vice-Chancellor

HRDC works with a student centric approach keeping in mind the teacher in axis of the system. The NEP 2020 emphasizes the significance of research oriented teaching through blended mode for faster transfer of knowledge among the society. It is, therefore, necessary to develop inbuilt mechanisms of providing training opportunities for teachers within the framework of knowledge society. HRDC, PRSU, Raipur organized 14 programs from July 2020 to March 2021 in online mode.

### Vision

UGC-HRDC shall envisage reliance of quality ensured delivery of education for continuous knowledge up-gradation, capacity building and resource management.

- Motivate teachers for accepting challenges arising from exponential growth of emerging new knowledge and fast growing trends of breaking barriers of subject specific teaching, research and innovation.
- Strengthen scientific temper among the teachers to impart value based education to their disciples.
- To develop active mechanism for continuous advancement in the curriculum upholding characteristic of integrity, responsiveness and percolate the wisdom of thought leading to humanity in the society.

### Mission

The Mission of HRDC is to create an effective environment to provide opportunities for career development of teachers, necessary for quality education, research and innovation so that they are well equipped and motivated to accept new challenges emerging from growth of the knowledge, international competitiveness and changing requirements of learners.

- Enhance motivation skills and knowledge among teachers through systematic orientation in specific subjects, techniques and methodologies, and thereby inculcate the right kind of values that would in turn encourage them to take initiatives for innovative and creative work.

### Objectives

#### Enable newly appointed Faculties to:

- Understand the significance of education in general, and higher education in particular, in the global and Indian contexts.
- Understand the linkages between education and economic and socio-economic and cultural development, with particular reference to the Indian polity where democracy, secularism and social equity are the basic tenets of society.

- Acquire and improve art of teaching at the college/university level to achieve goals of higher education.
- Keep abreast of the latest developments in their specific subjects.
- Understand the organization and management of a college/university and to perceive the role of teachers in the total system.
- Utilize opportunities for development of personality, initiative and creativity; and
- Promote computer literacy as well use of ICT in
