Regulation No. 32

(E.C. 26.2.76)

**RULES FOR PUBLICATION OF MONOGRAPHS AND OTHER RESEARCH
ARTICLES BY THE UNIVERSITY.**

1. The University will undertake the publication of Learned Research works, Doctoral Thesis or reports of the Research projects from members of the staff of the University or Research workers registered in the University.
2. A learned research work to be assisted under the scheme should be one that breaks new ground and is useful as reference material for honours and post graduate studies. The manuscripts in respect of work brought out by College teachers may be sent to U.G.C. for assessment by two experts in the particular field.
3. Thesis accepted for doctoral degree may be considered for assistance for publication under the scheme only within a period of ten years after its submission. If the period of submission exceeds ten years then it should be got adjudged by the experts in the field by the University before it is considered for assistance.
4. A specific ratio of assistance be fixed for assistance for learned research works and doctoral thesis. The allocation made to a University under the scheme be utilised by the Universities normally on the basis of 2/3rd for doctoral thesis and 1/3rd for other learned research works.
5. Repetitive Publication should not be considered under the scheme for assistance. Assistance would be available once only for the initial publication. The publication should be printed in India only.
6. The University may either publish the works under its supervision and control or get these published through reputed publishers. Payments towards the cost of a publication should not be made to the author, but directly to the publisher by the University.

7. With a view ensuring a very high academic standard the University should take utmost care in effecting proper selection of learned research works for publication the University should also avail of the services of professional people for editing, referencing etc. of the manuscripts from the point of view of quality and presentation. In case the amount provided as subsidy for a particular publication is less than Rs. 3,000/- then no reference to experts may be necessary for its assessment. However, in case the amount of subsidy exceeds Rs. 3,000/- the manuscripts may be got assessed by two experts (besides the examiner) in that particular field.
8. Besides seeking the advice of commercial interests while selecting a manuscript for publication, the University may consider the desirability for appointing sole and or regional selling agents/distributors.
9. Where assistance to a publication is substantial the University should undertake it as its publication and a major part of the money realised through sales (after making provision of royalty to author, commission to retailers etc.) should be credited to this fund for publication so that it can support more books to be published. The money obtained through sales of books published with U.G.C. support should not be used by the University as a general source of revenue.
10. Any publication wholly or partly financed by any other source can not be considered for financing under this scheme.
11. The copy-right of any work published by the University as above shall remain with the author or authors.
12. Since the published work is going to be a priced publication, the University may agree on the basis of the recommendations of publications committee to give 15 copies to the University and agreed number of copies to the author(s) free of cost. In addition the publisher may also give royalty to the authors on the basis of the contract executed with the publisher on the actual sales receipt.
13. Subsequent editions of the work may be published and the above terms of royalty may be revised or considered necessary.
14. The Kulpati shall appoint a publications Committee consisting of four teachers of the University with the Kulpati as Chairman. This Committee shall :-
 - i) Carry out first scrutiny of the work submitted for publication and select those which prima facie appear to be suitable for publication.
 - ii) Co-opt experts necessary for assessing the work.
 - iii) Shall determine the number of copies to be published, scrutinise the quotations received for printing, assess the selling price of the work, recommend the royalty to be paid to the author.
 - iv) After the publication shall scrutinise the reviews published and the comments received from various quarters as a guide for future policy.
