IIC ID: IC201810375

## Program Summary:

On 30th November 2024, the Center for Basic Sciences (CBS) successfully conducted a lecture session to observe **Institute's Innovation Day**, for the observance of the birth anniversary of **Dr. APJ Abdul Kalam**. The event was organized as a day celebration activity under the **Institution's Innovation Council (IIC)**.

**Dr. Laxmi Kant**, Assistant Professor, CBS, PRSU, an advocate for innovation in education, delivered the keynote lecture. The event was held offline and spanned over **three hours**, providing an in-depth exploration of Dr. Kalam's life, his contributions to science and technology, and his unwavering support for Basic Sciences.

## Highlights of the Lecture:

- **Inspiring Life Stories:** Dr. Laxmi Kant shared captivating anecdotes from Dr. Kalam's life, emphasizing his humble beginnings, dedication to education, and perseverance in the face of adversity.
- **Promotion of Basic Sciences:** The lecture highlighted Dr. Kalam's belief in the fundamental importance of Basic Sciences as the bedrock of technological advancement and innovation. Dr. Kant elaborated on how Dr. Kalam's work exemplified the integration of foundational science with practical applications.
- **Encouraging Innovation:** Students were encouraged to adopt a mindset of curiosity and creativity. The lecture underscored the significance of questioning, exploring, and experimenting as key components of innovation.
- **Interactive Session:** The lecture was followed by an interactive Q&A segment, where students engaged with Dr. Kant on topics such as pursuing careers in research, overcoming challenges in scientific endeavors, and embodying Dr. Kalam's principles in daily life.

## Photos of the Event

## Conclusion:

The lecture by Dr. Laxmi Kant on the occasion of Institute's Innovation Day was a resounding success. It effectively commemorated Dr. APJ Abdul Kalam's birth anniversary by not only honoring his legacy but also by actively engaging students in meaningful discourse on innovation and the importance of Basic Sciences. The event met its objectives, developing an environment of inspiration and setting the stage for future innovation-driven activities within the institution.

## Outcomes:

**Enhanced Motivation:** Students reported feeling inspired by the session, expressing a renewed interest in pursuing innovation within their respective fields.

**Increased Awareness:** The lecture broadened participants' understanding of Dr. Kalam's vision for integrating Basic Sciences into national development strategies.

**Active Engagement with IIC Activities:** The event successfully stimulated interest in the Institution's Innovation Council's initiatives, with students showing eagerness to participate in future IIC programs and activities.
