About the Event and Speaker

On 20 September 2024, a lecture session organized by IIC PRSU and Alumni Association of Biotechnology, Raipur at School of Studies in Biotechnology, Pt. Ravishankar Shukla University, Raipur (C.G.) on “Research, Innovation & Start-ups in Academic Institutes” delivered by Prof. Prabha Shankar Shukla, Vice-Chancellor, North-Eastern Hill University, Shillong, Meghalaya, an eminent scientist in the field of Agriculture and specialized in Seed Science and Technology and has a track record of advancing social, economic, and cultural development in various capacities. The event started at 1:00 pm with a brief introduction of the guest speaker before starting the lecture. The program was initiated with a cordial welcome of the prominent speaker with plant sapling by Professor Keshav Kant Sahu, Head of the Department, School of Studies in Biotechnology, PRSU, Raipur, (C.G.). The lecture was started by Prof. Prabha Shankar Shukla with encouraging the students to think, dream, have the courage to take up the challenge and follow their passion. He told that India's 65% population is young, having the highest manpower and energy and therefore we have the potential to become a developed country by 2047. He added that it is crucial to link the higher education with the research and business to create an effective entrepreneurship. He also included the government initiatives regarding the start-up such as Kaushal Bharat Yojna, Make in India, Digital India Innovation and gave examples of top 10 inspiring Indian entrepreneur success stories like Zomato, Paytm, Mamaearth etc. At last, he said that purpose-based education, skill development, life-long learning system, utilisation of technology and artificial intelligence is mandatory for developing entrepreneurship in the country. Further in event an interactive session held between students and the speaker Dr. Kavita Thakur, President of the Institute Innovation Council, PRSU. Session has concluded with presenting memento and certificate to the speaker by Professor Keshav Kant Sahu.

Conclusion/Outcomes

In conclusion, this lecture session on research innovation and start-ups in academic institutes provided valuable insights into the critical role that universities play in fostering entrepreneurship and advancing technological progress. It inspired participants to explore new career paths and also emphasized the importance of creating supportive ecosystems that provide resources, mentorship and funding opportunities to help start-ups thrive.

President, IIC PRSU
