Report on MIC-Driven Activity “Copy That! Copyrights Uncovered: Masterclass on Copyrights”

On 23rd April 2025, A Live Session was organized by the Ministry of Education's Innovation Cell (MIC) and AICTE, on the title “*Copy That! Copyrights Uncovered: Masterclass on Copyrights*” from 11:30 AM to 01:00 PM onwards. The live streaming of this session was streamed through youtube at the Computer Lab, S.o.S in Electronics & Photonics, Pt. Ravishankar Shukla University, Raipur. This session was attended by 06 Faculty members and 36 Students of S.o.S in Electronics & Photonics and IRETm. Also many students joined through an online interface and benefited from the insights shared by the speakers/ experts, who provided an in-depth understanding of copyright issues relevant to academics and innovators.

The session aimed to create awareness about the importance of copyright as a vital component of intellectual property rights. Ms. Anooja Padhee elaborated on the legal aspects of copyright, its scope, and how it safeguards the originality and creativity of authors, artists, and innovators. She emphasized the challenges of copyright infringement and provided insights into practical measures for creators to protect their work. While, Dr. Hemant Khosla highlighted the government's role in promoting intellectual property rights and its contribution to encouraging innovation, entrepreneurship, and fair competition. The session offered participants valuable knowledge on how copyright protection fosters creativity, supports economic growth, and ensures recognition for creators. Overall, it was highly informative and inspired awareness among students and aspiring entrepreneurs.
