## **Report on MIC-Driven Activity “Building Yukti Innovation repositories in IIC Institutions Productizing Campus Ideas & Boosting Innovation Funding for Startup”**

On 20<sup>st</sup> May 2025, A Live Session was organized by the Ministry of Education's Innovation Cell (MIC) and AICTE, on the title “Building Yukti Innovation repositories in IIC Institutions” from 11:30 AM to 12:30 PM onwards. The Live streaming of this session was streamed through youtube at Computer Lab, SoS in electronics and photonics, Pt. Ravishankar Shukla University, Raipur. This session was attended by 08 Faculty members and 40 students of S.o.S. in electronics and photonics and IRETM. Also many students joined through an online interface and benefited from the insights shared by the speakers/experts, who provided an in-depth understanding of Building Yukti Innovation repositories in IIC Institutions Productizing Campus Ideas & Boosting Innovation Funding for Startup.

The session on “Building Yukti Innovation repositories in IIC Institutions Productizing Campus Ideas & Boosting Innovation Funding for Startup” commenced with an insightful presentation by Mr. Dipan Sahu, who focused on transforming campus-based ideas into viable products and enhancing access to funding for student and faculty-led startups.

Mr. Dipan Sahu gave two key initiatives: the YUKTI Innovation Challenge 2025 and the AICTE Productization Fellowship. The session highlighted the importance of nurturing innovation and entrepreneurial thinking within academic institutions. By providing clear guidelines and support mechanisms, the session aimed to inspire and empower young innovators to take their ideas forward. It effectively fostered a culture of innovation, encouraging sustainable startup ecosystems within campuses. He also emphasized the importance of HEIs developing a centralized database of innovations through the YUKTI platform, enabling the conversion of campus ideas into prototypes, MVPs, and Startups. Furthermore, he outlined how institutions can access mentorship and support via MIC and AICTE and navigate national innovation challenges and funding schemes.
