About the Event and Speaker

On 29th July 2025, IIC PRSU, Raipur organized a lecture session Professor at the University Institute of Pharmacy Program Director, Malaviya Mission Teacher Training Centre pt. Ravishankar Shukla University Raipur (Chhattisgarh). On the title "5th Anniversary of the National Education Policy (NEP) 2020" a transformative vision shaping the future of education in India.

The venue of the program was Institute of Renewable Energy Technology and Management Hall. The program was conducted under the leadership of the Vice Chancellor of the University, Dr. Sachchidanand Shukla. The program was started first with Dwipa Prajwal and Saraswati Vandana and Kul Geet. The chief guest of this program was Dr. Preeti k Suresh. Dr. Preeti k Suresh was welcomed by Dr. Kavita Thakur.

NEP 2020 aims to increase GER to 50% by 2035, promote holistic education through multidisciplinary institutions, ensure a light but tight regulatory structure, and encourage excellence via autonomy. It also emphasizes technology-driven learning and expanding higher education programs in Indian languages or bilingual modes to foster inclusivity and accessibility.

Dr. Preeti K. Suresh highlighted major issues in higher education, including a fragmented system with early specialization, weak focus on cognitive skills, and poor quality in disadvantaged areas. She emphasized limited autonomy, governance challenges, ineffective leadership, oversized affiliating universities, and insufficient research funding as key barriers to progress.

Dr. Preeti K. Suresh also discussed the major highlights of NEP 2020, including a multidisciplinary approach, increased focus on skill development, promotion of Indian languages, flexible curricula, enhanced use of technology, greater autonomy for institutions, and a vision to increase Gross Enrollment Ratio, aiming to transform and modernize India's education system.

The overarching goals of higher education include raising the Gross Enrolment Ratio to 50% by 2035, promoting holistic learning with flexible curricula in multidisciplinary universities, implementing streamlined regulation, ensuring excellence through autonomous accreditation, integrating technology in education, and increasing programs offered in Indian languages or bilingual formats for wider accessibility.

Conclusion/Outcomes

As we mark the 5th Anniversary of the National Education Policy (NEP) 2020, it is a moment to celebrate the transformative vision that has redefined India's education landscape. NEP 2020 has laid the foundation for a more inclusive, multidisciplinary, skill-oriented, and flexible education system. It emphasizes equity, quality, innovation, and the integration of technology, all while staying rooted in Indian values. While significant progress has been made, continued collaboration among policymakers, educators, and institutions is essential to realize its full potential. This milestone encourages us to reaffirm our commitment to building a vibrant, future-ready educational ecosystem for all learners.

Dr. Kavita Thakur
President, IIC PRSU
