INTERNSHIP OFFER LETTER

Subject: Regarding your internship in our company's Development Department

Dear **Pavan Kumar**,

We are pleased to offer you an internship in our organization **LOGIXHUNT** for a period of 6 months which is effective from **20/02/2023**. You will be reporting to Mr. Pramod Shukla for the full duration of your internship.

As we discussed during the interview process, this is an academic internship during which you will be expected to provide 5 hours/Day and 5 days a week (excluding declared holidays and availed holidays).

This internship is viewed by as being an educational opportunity for you, rather than a part-time job. As such, your internship will include training orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of Business Process Outsourcing

Again, congratulations and we look forward to working with you this coming year.

Best Regards
Pramod Shukla

PROJECT STATUS REPORT

Project Name : **RaPost - Social Media Manager App**
Internship : M.C.A. 4th Semester 2023

Overview

RaPost is a social media manager web application developed using Django, Python, MySQL, and Git for source code management. The application streamlines the process of posting content to Facebook, Instagram, and LinkedIn platforms, aiming to optimize posting speed and enhance user experience.

TECHNICAL DETAILS:

Category	Tools and Technologies
Backend	Django, Python, MySQL
Frontend	HTML, CSS, JavaScript, Bootstrap
Version Control	Git
Deployment	Web Server (Apache, Nginx)

MODULES:

Module	Description
Accounts	User authentication, registration, and profile management
Publishing	Creation, editing, and scheduling of social media posts
Facebook	Integration with Facebook platform for posting and analysis
Instagram	Integration with Instagram platform for posting and analysis
Scheduler	Post scheduling and management
Analytics	Analysis of post engagement and metrics

Progress Summary: Backend development using Django and Python is complete, including user management, session handling, and integration with Facebook and Instagram platforms. The frontend, built with HTML, CSS, JavaScript, and Bootstrap, is also well underway. The project's source code is managed using Git for version control. Deployment on a web server, such as Apache or Nginx, will be considered in the next phase.

Future Steps: Moving forward, the focus will be on completing the scheduler module to allow users to schedule posts for specific dates and times. Additionally, the analytics module will be implemented to provide insights into post-performance. Further refinements will be made to the user interface to enhance user experience and ensure a seamless social media management process.

Thank you for your attention to the project details. I am committed to delivering a robust and efficient social media manager application as part of the MCA 4th Semester internship.

Sincerely,

Umesh Verma , MCA 4th Semester Intern

Internship Offer Letter

Date: 27/Feb/2023

Dear Ms. Soniya Verma,

We are pleased to offer you the position of Intern at BlueChips Solutions, Raipur with a start date of March 1st, 2023, for the period of six months, contingent upon a background check. Mr. Shubham Sahu will be your primary contact and manager on site. It is in our opinion that your abilities and experience will be the perfect fit for our company.

In this role, you will design and build high performance scalable Web applications, software and websites. You will be provided with training to design, implement, and scale new APIs, aggregation and solve live project problems.

Your stipend/salary and Internship Package will be discussed at orientation program. The stipend/salary will be paid on a monthly basis starting on March 2nd, 2023

As an employee of BlueChips Solutions, you are also eligible for our benefits program, which includes medical insurance, and up to 1 week vacation time. Other benefits will be described in more detail in the orientation program.

By signing and returning this letter you will confirm your acceptance of the offer. Please respond no later than February 28th, 2023.

We look forward to having you on our team !

Sincerely,

Ms. Shikha Singh

ACKNOWLEDGEMENT

Firstly, I would like to express my deep sense of gratitude to **Dr. KAVITA THAKUR**, Head, SoS in Electronics & Photonics, Pt. Ravishankar Shukla University, Raipur (C.G), for her generous supervision, co-operation and suitable suggestions throughout the course of present work and for providing us infrastructural facilities to work in, without which this work would not have been possible.

I also wish to extend my thanks to **MS. AYUSHI SONI & MS. GUNVATI SAHU** faculty of for the degree of Master of Science in Electronics, Pt. Ravishankar Shukla University, Raipur (C.G.), for her help and supervision and other teachers also for attending my project presentation and for their insightful comments and constructive suggestions to improve the quality of this project work.

I am extremely thankful to the technical staff of School of Studies in Electronics & Photonics, Pt. Ravishankar Shukla University, Raipur and for their support.
