62	How do you perceive the role of NAAC in the quality development of your institution (Suggestions in bullet format to be given below)	 The 10 major recommendations suggested by the NAAC peer team during its visit between 20th and 23rd September 2010 are indeed laudable. Those recommendations helped the University in achieving its goal apropos sustenance of quality teaching and research. Of the 10 major recommendations made by the peer team, the University has implemented four and five are under implementation. The University is grateful to the NAAC for this development in terms of enhancing the quality of higher education and research.
	CONCLUDING REMARKS	
	This exercise is intended to make a self analysis of the quality development of the institution during the year. The perspective plan and implementation for every year is to be documented and analyzed to get a cumulative index for the period of accreditation and reaccreditation. Any substantial changes / initiative in this direction is to be separately listed. The best practices in various areas can be listed as a separate annexure. The data will be used to create a quality profile based the total score index arrived at that would map the strength and areas of improvement required.
