## SCHOOL OF STUDIES IN GEOLOGY & WRM

### ESTABLISHMENT

1

School Of Studies in Geology and WRM celebrated its Silver Jubilee in 2009. Various Funding Agencies like UGC, CSIR, DST, MOWR, BRNS have supported the School by sanctioning research grants. About sixteen research projects have so far been completed and more than seventy research articles have been published in National and International journals by the members of this School. The School organized many conferences and workshops also.

### VISION

To provide the highest levels of education through continuous revision and expansion of our educational, research and outreach programs so as to turn out trained competent Geoscientists, academicians and professionals capable of responding to the needs of the Society.

2

### MISSION

To develop critical thinking, enthusiasm, and the necessary skills to contribute for the betterment of the society in each student. Creation and dissemination of new knowledge through scientific research, so as to contribute for the enrichment of Science and Society.
