BEST PRACTICES

Experiential Learning (2018-19, 2019-20)

Students made clay idols of Lord Ganesh before Ganesh pooja and held an exhibition in the institute. This was taken up as a project under ‘experiential learning’ or ‘learning by doing’ as a part of “Nai Talim”.

E-Content Development (2021-22)

E-Content for various school subjects, especially for class 10th and 12th school students was developed by B.Ed. and M.Ed. students, keeping in view the COVID-19 situations.

ABOUT THE INSTITUTE

Institute of Teacher Education is one of the vital bodies of Pt. Ravishankar Shukla University which epitomizes the manifestation of teaching excellence and research attitude among its pupil teachers and researchers. ITE has been envisioned with holistic training components, skill-orientation and value-education as the foundation of the teacher education, ITE has a vision of developing the future teachers who can take up the task of shaping the next generation of students with a sense of responsibility for the nation. It has facilities to carry out research work in various aspects of education.

The Institute of Teacher Education came into existence in the year 2005, at present Prof. C. D. Agashe is holding the post of Head of the Institute and he is nurturing the ITE in a commendable manner. The Institute of Teachers Education has been offering B.Ed and M.Ed. degree programmes since 2005 and 2006 respectively with 50 seats each. The students of B.Ed. course are required to qualify the Pre B.Ed. examination conducted by CG Vyapam and students for M.Ed. course selected through entrance examination conducted by Pt.RSU.

It is a proud movement for the Institute of Teachers Education to launch four-year Integrated Teachers Education Program recognised by NCTE, in the year 2024. It was launched under the leadership of Honourable, Vice Chancellor, PtRSU, Prof. Sachidananda Shukla and inaugurated by the honourable governor of Chhattisgarh, Shri. Ramen Deka. Under this programme, B.Sc.B.Ed., B.A..Ed., B.Com.B.Ed. courses with 50 seats each is conducted. The courses attract a large number of students from all corners of the country.

VISION

To be one of the premier educational institutes that offers best teaching learning skills to the student-teachers to become competent, knowledgeable and value-oriented teachers with a broad outlook serving the country in particular and the world as a whole.

MISSION

- **One of the primary goals of ITE is to cater not only to the urban population but also to uplift and reach-out to the tribal and rural students of the state as Chhattisgarh has high tribal population.**
- **To impart quality education based on innovative teaching practices, preparing the students to excel in their academic and professional pursuits.**
- **To promote creative thinking, positive attitude. Scientific temper and healthy competence among the students.**
- **To groom individuals to become sensitive teachers and competent facilitators of tomorrow with in-depth knowledge and human values who would be able to shoulder greater responsibilities towards building a better world.**
