The UGC-HRDC, PRSU, Raipur, Chhattisgarh is organizing an Online multidisciplinary Refresher Course in Pharmacy during **December 06-20, 2021**, between **10:30 to 17:30** for college and university teachers of Pharmacy

Theme: Modern Tools in Drug Discovery and Pharmaceutical Technology

Objective: The objective of this Refresher Course is to provide participants with opportunities and resources for their professional and personal enrichment. The course will focus on the modern tools in drug discovery and pharmaceutical technology. The course will provide an insight into the latest advances in the area and further widen the understanding of the participants with the various aspects of the theme. This course would be useful for teachers of various disciplines irrespective of their specialization. Eminent resource persons from academia, research and industry will be invited for sharing their expertise and knowledge in the field. The participants will not only be exposed to the recent developments in the area but will also have a forum to initiate fruitful and collaborative relationships with fellow participants and scholarly resource persons.

Salient Features of the Course: The course will have two parts: 45 h of thematic lectures by resource persons, and 27 h of other activities, like Microteaching, Project Work, Seminar and Demonstration of advanced equipment's facility. Above activities will highlight creative and innovative practices in teaching and research. There will be assessment exercises and activities as part of the progression of the course. Moreover, a MCQ based examination at the end of the course will also be conducted. All the participants who will complete the refresher course successfully will get certificate with gradation.

Target Group: All regular faculties of different disciplines of Pharmacy in the Universities/ Colleges that are included under section 2 (f) of the UGC act. The teachers of the colleges affiliated to the University for at least five years can also participate.

Mode of Delivery: Live web session, Discussion and Assignment on Google Meet/ Classroom.

Requirement for the Course: Desktop/ Laptop/ Smart phone with good Internet Connectivity (Webcam, Microphone, headphones, and Multimedia enabled).
