Authority, Chhattisgarh

ACADEMIC PARTNER

KNOWLEDGE PARTNER

MISSION

The Chhattisgarh Green Summit aims to promote sustainable development by bringing together stakeholders from various sectors to foster environmental stewardship and responsible practices. It will showcase green initiatives and success stories, encourage innovation, collaboration, and knowledge-sharing. The Summit focuses on key areas like green mining, renewable energy, sustainable agriculture, eco-tourism, and climate change, aiming for a greener, more sustainable future for Chhattisgarh.

WHO WE ARE?

Vibgyor N.E. Foundation, a not-for-profit organization, specializes in addressing green issues in Northeast Bharat and beyond, collaborating with other groups in the region.

Having successfully completed 8 years of the Northeast Green Summit, the only annual conclave of its kind, Vibgyor now presents the 2nd edition of the Chhattisgarh Green Summit. This event aims to promote sustainable development and environmental stewardship.

ABOUT THE VENUE

Pandit Ravishankar Shukla University, established in 1964, is the largest and oldest institution of higher education in Chhattisgarh. Located in the western part of Raipur, PRSU is renowned for its commitment to academic excellence and research. The university features an air-conditioned auditorium equipped with modern audio-visual facilities, accommodating over 550 attendees. This space is frequently used for major academic and cultural events, including convocation ceremonies and conferences. Additionally, PRSU offers multiple conference halls, providing well-equipped venues for technical sessions, panel discussions, and networking opportunities. With its sprawling 300-acre campus and state-of-the-art infrastructure, PRSU serves as an ideal setting for the Chhattisgarh Green Summit 2025, fostering discussions on sustainability, medicinal plants, and green entrepreneurship.

PARALLEL TRACKS

Integrating Ancient Wisdom and Modern Policies: A Green Road to Sustainable Living
