

Student Induction Programme

Organized by

School of Studies in Physical Education
Pt. Ravishankar Shukla University, Raipur
19 & 20 September 2019

About the program

The induction program was organized by School of Studies in Physical Education, Pt. Ravishankar Shukla University on 19 and 20 September 2019 in. The objective of the program was to acquaint and acclimatize the new comers with the university campus and surroundings along with information about faculties of the department, the facilities available, information about program and activity of the university and to make visits to various departments of the university to facilitate interaction between the teachers and students of various departments. Further the induction program intended to The students were also sensitivity towards various issues of social relevance and to imbibe human values so as to become the responsible citizens.

On the first day Dr. Raj Bharti the speaker of the event on 19 September 2019 inaugurated the program. All the faculty members were introduced and then all the students introduced themselves. The guest motivated the students through his words. The Students went to visit the university where new students were provided with information by the old students of the department.

The cultural program was organized which included

Painting

Debate

Poetry

Clay Art

Dance

Music

Prof. Rajiv Chaudhary and guest faculty Komal Kumar Verma, Ph.D. Scholar Kumari Pooja, Manish Toppo were present in the cultural program. B.P.Ed and M.P.Ed first semester students participated in this event and enjoyed a lot.

The theme of the painting program was "Nature Scenery of Indian Culture", in which students participated enthusiastically. Poetry program was held, in which Mousmi Thakur of M.P.Ed First Semester student did a very good Poetry on "Chandrayaan".

The Debate competition was organized on the topic "Addiction of Cell Phone" Mr. Chandra Prakash B.P.Ed 3rd semester student anchored the competition. Shailesh Shukla Renuka Virendra and Nisha acted as judges for the event. Two speakers for the motion and other two against the motion of each class. Ganeshu Pal the speaker for the motion said that "cell phone was used for the first time by USA for military purpose during Second World War, he argued cell phones helps connect to each other ". Chandrakant the speaker against the motion expressed that "cellphones are leading towards cheating, fraud, health hazard, suicidal game like pubg, UV radiations".

The highlight of debate was the rebuttal round; here each participant asked the opponent a question on the matter presented by that contestant. The debate competition come alive as Volley of questions was answered, inviting more questions which got further answers from both sides.

Each participant rose to the occasion to defend their arguments. One of the best orators, Priya Bharat Pradhan (M.P.Ed first semester) heatedly spoke against the speaker for the motion countered the arguments and correctly explain about ultraviolet radiation by cellphone.

Priya Bharat Pradhan got first place Chandra Chandrakant Bagade got second place and Priyanka Chauhan Gangotri of B.P.Ed 1st semester got third place in this debate competition.

Under the student induction program, the competition for clay art was held in physical education department, where participants showed sports through clay art. In the evening a volleyball competition was organized.

On the second day of the program, the main speaker was prof. Dr. priyamvada Srivastava (psychology), she inspired all the students **with inspiring lecture related to psychology**. After this handball competition was organized.

Welcome to chief Guest Dr. priamnada srivastava (psychology)

Motivational speech by Dr. Privamvada Srivastava

चंद्रयान

कहते हैं, हर सफलता छि कहानी के पीछे कई
असफलताएँ छुपी होती हैं। और छुपे होते हैं, वो लोग
जो इसी समाज के नाकारात्मक लोगों के ताने बुनने
और कई बाधाओं के आने के बाद भी चटानों से
डरे रहते हैं और फिर सफलता उनका माँथा धूमती
है।

तो उसी पर अपनी स्यना खिख रही हूँ, स्यना
क्योंकि ये अगर कविता ना हुई तो मेरी भावना न हुई
तो मेरी भावना जरूर होगी।

[चल पड़ा मैं चांद पर, लेकर भारतीयों का सम्मान, गर्व
महसूस कराऊ भारत को, नाम मेरा है: चंद्रयान]

छि अंतरिक्ष में कई देश गए, देशों में देश महान - (२)
हैं, भारत की आंखों का तारा, इसरो मेरी जान
वो दूर कहीं चंद्रा मामा, छोटा सा जो दिखता था
अजब रहस्य से बरा हुआ था जान के हमको
रहता था। जेना पहला यान जो हमने, चंद्रयान 1
कहलाया। चंद्रयान की सतह पे जिसने

जल को खोज के दिखलाया
अबकी बार बह्य बड़ा था
कुछ अलग हमें तो करना था
सभी गये थे उत्तरी ध्रुव तक
दक्षिण में हमें उतरना था
जल की खोज था एक श्वासा
जीवन वहां भी संभव है।
इसी सभी विचारों का चंद्रयान - 2 उद्गम है।

कनट था कम, ये साधन कम पर
हमारे इससे में था कम
पिछले मिशन की नाकामी पर
दुनिया ने ताने मुना दिय
भारत के स्पेश आरेंस पर
सैकड़ों स्वाह उठा दिय ।

थी अब बारी दुनिया को
ताड़त अपनी दिखलाने की
थी अब बारी चंद्रमा पर
सबसे कामयाबी से जाने की
थी श्वासियत इसकी ये की, जबकुछ हिंदुस्तान था
कुछ विचित्र प्रयोग ये इसमें
जो देव के जगत अंचलित था
सभी चरण को धीरे धीरे
घार कर गया अपना विक्रम
पर चांद की पीदार से
एक कदम पर खड़ा मिशन

जस दिन जब 'डे सिवान' की
आँखें नम हो आयी थी
कसम से हर भारतवासी की, जान
हमको को आयी थी
हैं अमर बिज्ञान ये भारत का
इस पर हमको राज है ।
हम भी तेरे काम आरेंगे
ये पूरा लुप्तको आज है ।
