

## Report

### Plantation Drive

A plantation drive was successfully conducted on 25 August 2025 at School of Studies in Biotechnology through the joint efforts of the Rotary Club Raipur, NSS PRSU and Alumni Association of Biotechnology.

The Hon'ble Vice-Chancellor of PRSU, Prof. Sachchidanand Shukla, graced the occasion as the chief guest. The representatives of Rotary Club Raipur, including Mr. Girish Vora along with other office bearers and members, NSS representatives Prof. L. S. Gajpal and Prof. Kamlesh Shukla with volunteers, Head of School of Studies in Biotechnology Prof. Keshav Kant Sahu, faculty members, students, and research scholars were also present in the event.

As part of the initiative, several fruit-bearing trees such as amla, mango, and custard apple were planted within the School's and university campus. The drive aimed to promote environmental conservation, enhance campus greenery, and encourage the spirit of sustainability among students and faculty members.

Speaking on the occasion, the Hon'ble Vice-Chancellor appreciated the collaborative efforts of the organizing bodies and highlighted the importance of such eco-friendly initiatives for the betterment of society and future generations.

The event concluded with a pledge by all participants to contribute actively towards environmental protection and campus beautification.
